“ Our deepest sympathy to your family. My Mom, Clementine enjoyed talking to your Mom, even if they couldn't get to see each other anymore. Their old group has only 3 women left and Mom is 92, I'm sorry I couldn't get her to the funeral home she has dementia and Monday wasn't a good day. You and your Mother are in our prayers. May you find peace.##imported-begin##Clementine DeTurck##imported-end##

“ I remember back when our family lived in Rochester, I was in grade school, "Aunt Arlene" watched my younger brother and I from time to time. I know there were easily more than a few times we tested her patience, as little boys have a tendency to do. Of course, she took it all in stride. :) We always had a great time though and I know she was a good friend to my mom & dad. I will always remember those times fondly.##imported-begin##Rich Evenhouse (jr)##imported-end##
