“ Marion, Diana and Carol...I am truly sorry for your loss. Artie was always a sweetheart and often played with my children when we were at my mom and dad's house on Share. His smile was infectious and his love for all was apparent. You provided a wonderful life for him and he will always watch over all of you!###imported-begin##Nancy Leshan###imported-end##

“ Dear Marion,

I am so sorry to hear about Artie, our neighborhood lost a big piece of our heart. I remember as a little girl playing with Debbie in the back yard and Artie would always come out and say "what are you doing?" Our reply was "what do you think we are doing ?" and he would laugh and say "right" from that moment on those statements became our greeting to each other. He is such a gentle and kind soul, I know he has a very special place in Heaven. You will be missed Artie. Sending love and prayers.###imported-begin###Cindy Edwards(Fox)###imported-end##
