“ My good friend is gone. She was my "neighbor" for 25 years. Audrey became more than a neighbor to me. She was my mother when I needed one and gave a grandmother's love to my two children. My two grandchildren would get so excited when she would bring them an apple out as they played. I was unable to attend the service but my thoughts have been with you. I will always remember my times with her. She has moved on to a better place and I know her daughters were there to welcome her. You have my love and sympathy during this difficult time. Her working in her flower beds will be a memory I will always cherish. Good bye my dear friend... Love Pam.##imported-begin##Pam Roberts##imported-end##

“ I am very sorry about our loss. I am not going to be there today because of sickness myself. Don't know if just a cold or what, but don't want to spread it around. Again, I am very sorry. Bob and Sue##imported-begin##Robert W. Hartbarger##imported-end##
