“ I met Bea Yee through my in-laws, Jim and Jane Todt, who used to attend church with Bea. She was such a nice lady to be around.##imported-begin##Jeff Juterbock##imported-end##

“ What a wonderful mother and grandmother you were blessed with! We know, because as RN's working with Bea we heard all of the wonderful stories about her children and grandchildren. She was a great role model for this grandmother to be. I loved Christmas parties at Yee's, I loved her company at all of our lunches, and I loved her travelling stories that she continued even after Daniel's passing. What a legend! What a role model! We at MCGH all loved her!

“ Chris, Karen and Kathy. I am deeply sorry to hear of your moms passing. When I think of your mom and dad I always remember how they greeted everyone with the brightest smiles. They were always such a pleasure to be around. Many of my fondest memories as a child involve your family, skiing in particular. Your mom will be dearly missed by the many people she touched including my family. Sincerely, Doug Urquhart and family.##imported-begin##Doug Urquhart##imported-end##

“ To all of Bea's children and grandchildren,
I worked with Mr. Yee for many years at Mt. Clemens General. She was a great labor/delivery nurse and taught me many things. We have always maintained our friendship after she retired with the every other month lunches of "the old girls" and Bea was right at every one of them that she could make--if not on a trip! She loved you all very much and we (her old friends) have watched you and heard about you growing up. She was the best! After she retired, she tried so hard to get me to call her Bea, but she has always been Mrs. Yee and it was a hard habit to break. I am glad that she is with your father/grandfather now, as they loved each other very much. God bless you! The world is short one good person.##imported-begin##Phyllis Stier RNC##imported-end##

“ Bea Yee was one of the sweetest women I have ever known. I worked with her in L&D at MCGH and it was always a good night when she was there. She had a strong character and a loving heart, and oh how she loved to have fun! The planet was a better place for Bea Yee having been here. Those of us who knew her all share wonderful memories of her. May she rest in peace with her dear Daniel.##imported-begin##Kathy Pecha##imported-end##

“ Cathy, Karen, Chris & family,

I worked with Bea for many years at MCGH and grew to love her and her whole family. Many wonderful memories of those days. My sincerest sympathy goes out to all of you in this sad time. It was definitely a pleasure knowing your mom and I too will miss her. One of my fondest memories is when we adopted my son Chris from Korea and he immediately reached out for Bea the first time he saw her. She was then affectionately called "Grandma Yee" in our house!##imported-begin##Maryann Trombley##imported-end##
