Tribute Wall

“ I'm Teri the second eldest from my father's side (Kevin). Betty never got to know her grandchildren because that was a choice she made. I don't think its fair that I'm accounted for at the time of her death. Can you please change that to 6 grandchildren?

And for the record she had more great grandchildren than noted. But again how would she know since she never reached out to her first born grandchildren. What a shame!

None the less, go in peace.##imported-begin##Teri Clark##imported-end##
