“ *We were so sorry to hear of the passing of Charlie Phlypo. Charlie was the best neighbor, friend and boss a person could ever ask for- When I worked for him at Damman's, I would always call him Mr. Phlypo. . . but he would cut me short and remind me to just call him "Charlie". . . Our families grew up together on Deanhurst in the early 60's and shared all kinds of wonderful times that good neighbors with growing families with children have. Once my Dad (Gus) retired, Charlie was my Dad's best golfing buddy. My Dad would often talk about his adventures or misadventures to some remote/inexpensive golf course that he and Charlie would frequent. And no matter how good or bad he would play he was just glad to be out with his best friend to share stories and time with. Charlie was also my Dad's ushering partner at weekend Mass at St. Louis- I'm sure the two of them will hit it off again now that Charlie has earned his eternal reward with Him. We are all so truly blessed to have known Charlie Phlypo. With fondest memories- God Bless You,

“ We have been neighbors with Charlie for 23 years. He has watched our family grow and let us be a part of his family. We will surely miss his smile, his wave, his hey kid how are you and his kindness. He had strong faith, great family values, very charitable, kind, gentle and giving.
There is a saying don't cry because its over smile because it happened. I am glad you were a part of our life. He expressed how deeply proud he was of his whole family and how he couldn't be happier. Love and Prayers during this difficult time.
