“ *I am always at a loss for words at a time like this. I offer my deepest sympathy to David's family and friends. David was always a polite well mannered young man around me. I enjoyed working with David for the short time he was at North Lake High School. I know that David was well loved by many of the students at North Lake. I will always remember his great sense of humor and his award winning smile. My thoughts and prayers are with you. Petey stay strong and take care of your mother, she needs your love and support now more then ever.##imported-begin##Tom Kosal##imported-end##*

“ David was such a wonderful young man to have around our home. When he would bring Petey along I learned it was twice the fun. I was introduced by my son Matthew and David replied "Nice to meet you ma'am" And meant it. He was the Eddy Haskel of our days and difference was he was real. Everything that he would say to us was not an act. He was so well liked here my me, my husband, and 2 daughters Emilly 9 and Anne Marie 4 and by his friend Matthew. We shall meet again someday. And thank you for letting us be a part of your son's life.##imported-begin##MOM AND DAD CANDELA##imported-end##
