“ I found Dorothy to be a very welcoming and warm person. I enjoyed her spirit, her quick wit, her intellect and her care for humanity. Dorothy Sevin was a person who truly radiated being alive. She very organized and efficient. When we went to Canada everyone had to have their very own reusable drinking cup, with their name on it. Hence, less dishes! She forced me to have personal discipline in her presence, but making sure I always used the right cup. I am sorry I cannot be present for the memorial service and take part in offering condolences as well as sharing memories of the celebration of her life. She will be missed and never forgotten.##imported-begin##James Clover##imported-end##

“ Always happy and full of energy, Aunt Dorothy will be dearly missed; her distinctive voice and huge laugh never forgotten. Although we've missed her up in the bay for a few years now, it will always be "Aunt Dorothy's island" to me. She will always be with us in spirit.##imported-begin##Tracy Ali##imported-end##

“ Our hearts go out to all who share close ties with our sister (in-law). Our memories go waaay back - to childhood for Whitney - but one of the most meaningful for me was the last time I saw her. She had just learned what was ahead and had met it with the same vibrancy and cheerfulness that she always expressed. Her outlook on life enriched so many lives. I feel certain she is still sharing it. With so much love, Irma##imported-begin##Irma and Whitney Sevin##imported-end##

“ I remember visiting my Aunt Dorothy and Uncle Frederick at their home next to the motel as a child. Dorothy had an infectious laugh, adored her family and their beagle friends throughout the years were so well loved by her!

*blessings and love to the whole family!*

“ I'm sorry I can't be there to say goodbye. Although I haven't seen Aunt Dorothy in a few years, I have many fond memories of her. I will always remember Aunt Dorothy's warm heart. She never forgot my kids birthdays (and there were many). They always got a card from her. One of my favorite memories was of Aunt Dorothy and Uncle Fred broadcasting a birthday greeting to Amy over the CB in Canada.

*Aunt Dorothy was always the first one to greet my family in the bay. Always happy to see us!*

*I also will never forget the time I fell and bashed my teeth. Aunt Dorothy was there to cook dinner for the rest of the family that had stayed at the cabin.*

*I think I will always remember Aunt Dorothy as fun, energetic, and willing to do whatever needed to be done.*

*Aunt Dorothy you will be missed here on earth. God Bless You.##imported-begin##Karen Crompton##imported-end##*

“ I remember as a small child going to visit Aunt Dorothy and Uncle Fritz (his brother Whitney is my father) at the Motel and getting free soda. Also I have a vague memory of spinning honeycombs for honey? Is that right did they have bee hives. She was a spunky lady and I have very fond memories what few there are. My comfort goes out to the rest of the family.

Sincerely,
