“ *Linda and Family,*

Although I never met your mother face-to-face, I felt as though I knew her. Your kindness, loving nature, gentleness, and profound faith speak volumes as to the beauty of your mom's life, as did your devotion to her. I hope our mothers meet each other in heaven and share how much they were loved and what a difference their lives made to all who knew them. You and your family remain in my family's prayers.

Blessings,
