“ It's been a couple of years since I last saw Esther. And I am so glad
my wife Schani was able to be there and meet her. Before that, I
remember telling stories of visiting her & Joe's house while I was
younger. Both with my family, and also many times with my Aunt
Dorothy Hoveystreydt. She was always so welcoming, kind,
and...funny. But what really sticks to this day is just how animated I
remember her being. I recall looking forward to visiting, and my
memories are that I was usually smiling too! I would like you to
know that after meeting her that one time, Schani too remembers
her similarly. We will miss her, with our sincere apologies for your
loss.##imported-begin##Bryan & Schani Guzik##imported-end##
