“ Mom, I'm so proud of the life you and Dad built together. Our little family with just the 3 of us has grown and flourished through the years, and I've loved having you there to share in the joy and fun of raising our three boys and all our darling granddaughters. It's been a wonderful adventure that we've walked together. You've been a dear Mother and a great friend to me. I'll miss you, Mom.##imported-begin##Christine##imported-end##
