“ *Uncle John was the one man in my life that I always felt completely safe with. He showed me, through his love and dedication to his wife and children, that healthy families really do exist. His presence in my childhood assured me that integrity and honor are characteristics that I could perhaps attain as an adult. Knowing he is gone from the earth leaves an emptiness in the fabric of my memories and life. To you, Uncle John, I will continue to strive for a life of integrity, honoring your life and service. My love and respect to you and to Aunt Betty, the woman who glued your family together. Your niece, Denise Sullivan##imported-begin##Denise Warren##imported-end##*
