“ I just heard about the passing of Lena, and I send my deepest sympathies to all her family. I grew up with Lena in the old neighborhood of Detroit, and we were the best of friends for many many years. I used to see Lena when she worked, and sorry to say, always said to each other that we'll have to do lunch, but it never happened. I have so many fond memories that I will always remember...

“ Our deepest sympathy to all of you in the loss of Aunt Lena. She always made us feel like we were one of her own. She made us feel so loved and welcomed when we visited. We will cherish all the stories she shared with us about Sam's mom. We will miss her but keep her in our hearts and memories forever. Love to all of you, Sam & Lauren
