“ I am so sorry to hear of the passing of an old friend from Harper Woods days! We worked on many projects together, both Harper Woods school and city. Several years ago we lost touch with one another. My love goes out to Joe, and to the rest of the family.##imported-begin##Elaine Lueck##imported-end##

“ I'm so sorry for your loss, yet I'm happy for your Mom to have ended her suffering on earth, and to have made the journey to meet up with her parents and Mr. Hofer, in heaven.

I've never known a kinder soul than Mrs. Hofer. She loaned me countless hats, scarves and mittens to walk to school in the winter. She loaned me a lovely dress for my Group Communion, and she hemmed my gown for Prom. In the past 15 years, I've grown to love your Mom even more than ever, and I've wished her health and peace every day. Now she has both, and I am a better person for having known her the past 42 years of my life. I'm sad for the future Hofers: you were very lucky to have her this long.

*My sincerest condolences to the Hofer clan. Your Mom was a great person. ---Peggy###imported-begin##Peggy McNally
