“Marty and I were good friends during our high school years. Life gave us different paths to follow and although I haven't seen/talked to him since his marriage I've always considered him a friend. It's with a heavy heart that I say goodbye to an upstanding human being and an old friend. He will be missed.##imported-begin##Richard Kacynski##imported-end##

“My condolences to the Sarowski family. I was saddened to hear about Marty. We worked in the same group beginning with Argonaut AEC at GM for many years. He shared many of his great stories of his children and his wife thru the years. He will be missed for his friendship to us all and sense of humor.##imported-begin##Sherry Balutis##imported-end##
