“ Dear Vicki, Ray, Joyce and families:

It is with a very heavy heart that I send all of you our love and condolences. Darrell & I have not only lost a very special aunt, but a wonderfully good friend. Your Mom was always caring for other people...that just was her nature. In return, Darrell & I have always (very happily) done all we could for her when we were in Florida. Darrell looked forward to her honey-do list for him. I am so glad that we were able to have a little 80th birthday party for her with some of our friends in Florida, who also were very fond of her.

She was always so much fun! We had a great time together, whether it was playing a very competitive card game, bowling or enjoying a nice dinner. She was certainly a one-of-a-kind person and we all can be comforted in the knowledge that she is indeed with all the angels who went before her. Her faith in our Lord was unshakable. We will miss her terribly, but are comforted in knowing that she is in a better place & free of pain or disease.

May all your happy memories of your Mom fill your hearts!

*We love all of you,
Annetta & Darrell Tobias###imported-begin###Annetta

“ Ma - you will be missed by so many people - you were a mom and friend to so many of us besides Vicki and Joyce - you were loved by so many people. I didn't get a chance to tell you to your face but "I love you and will miss you" (I wasn't the favorite daughter, but I was the only retarded one - LOL)###imported-begin##Nancy###imported-end##
