“ So very sorry to learn of Michael's death. As a child, he was very handsome and eager to please. Sometimes he seemed like a little lost soul. As an adult, he was still so handsome and charming and bright, but I think he found it difficult to find his place in life. I wish him peace.##imported-begin##Judy Riddle Hogan##imported-end##

“ *My darling Michael, how I thought we had more time. I will miss all our private jokes and our silly nicknames. "You had me from hello, pookie!" I will miss our lazy Sunday football and summers on our boat. So many things I will miss. I will always carry on your memory and will not let others forget. My heart is breaking more than you would ever want. I want to extend many thanks to all my friends who helped with so many things this past week. You all know who you are. Thanks and I love you all. We should say that more often!##imported-begin##Holly Rollins##imported-end##*
