“ My big brother.... You were stubborn yet a push over when it came to your family. You loved unconditionally and wholeheartedly. You had a sparkle in your eyes every time I saw you with your kids, my kids, any kids... You were a family man and lived your life with no expectations of anyone. Always willing to open your home to anyone in need, even if it meant there was no room left. I will never forget what you have taught me over the years and will never forget what a great man you were to everyone in your life. Yeah, we had our fights but that's because we are all stubborn and feel our way is always right. I wish that I saw you more and now that you are gone I regret not making it happen, but I know that you know how much I loved you and ALWAYS WILL. You always gave me good advice and never judged me when I made some pretty big mistakes. Offered your home to me many times when I was scared. Always tried to protect me. You loved life. I could go on forever here but I will end this now. I love you so very much. My heart is aching. You are gone far to soon big brother. I will never forget you....###imported-begin###Heather Rubins###imported-end##

“ As I sit in Heaven, and watch you everyday I try and let you know with signs, I never went away. I hear you when your laughing, and I watch you as you sleep, I even place my arms around you to calm you as you weep, I see you wish the days away, begging to have me home. So I try to send you signs, so you know your not alone. Don't feel guilty that you have life, that was denied to me. Heaven is truly beautiful, just you wait and see! So live your life, laugh again, enjoy yourself, be free... Then I'll know with every breathe you take, you'll be taking one for me!!!##imported-begin##Kelly##imported-end##

“ You have many things to deal with in life. But saying good-bye is the hardest. It's something you never wish to do, especially to someone you love so much and can't picture your life without. Kristie lost her soulmate, Kayla, Mike, and Karina lost their father... can't even begin to imagine the pain that they are feeling inside. Michael will truly be missed by many, and will forever live in our hearts. Rest in Peace Michael GONE TO SOON, but will NEVER BE FORGOTTEN!##imported-begin##Kelly##imported-end##
