“ Nikki will be sorely missed by all who knew her. May the family and friends find comfort knowing we will see Nikki again some day. She was too young to go and too beautiful to leave, but she is not really gone, just separated from us for a little time, for we know that "all those in the memorial tombs hear his voice and come out" (John 5:28) The day is coming when "He will wipe out every tear from their eyes and death will be no more, neither will mourning, outcry nor pain be any more.." (Revelation 21:3,4) At that time, our grief will disappear forever because it will be replaced with the joy of happy reunion of our dear lost ones.##imported-begin##Jeanne O##imported-end##

“ Auntie Char,  
I'm extremely sorry for the loss of Nikki. I know that she is safe in heaven with mom and dad. I'm sorry that I couldn't make it to the funeral. But we have had the flu over here and I didn't want to get other people sick. My thoughts and prayers are with the whole family. Much love from Louise and I.

“ *First of all, what an awful shock to hear of this very young woman, who was my childhood friend, passing so early in life.*

*My very most sincere & deepest sympathies to the entire family, as myself and family know what you are going through, since we lost our Lyle last year (my brother).*

*I don't remember exactly how Nikki and I met, other than she lived around the block from me and there wasn't very many kids my age around us to play with. For a few years, it seemed we were the best of friends. I have great memories of Nikki and playing around the neighborhoods of Parkside and Salisbury; we took her to Four Bears Water Park one summer; we hung out at Wendys just over the bridge and we would share frostys & french fries; hung out at Eastland Mall; rode our ten-speeds together all over the neighborhood. Even though the age difference eventually separated Nikki & I, I will always have fond and fun memories of our childhood.*

*I know she's found her husband again, and she's watching down on her daughter and family.....it will be almost unbearable for a while, but keep her smile, memories, and good times close to your heart and remember she's with you & watching you now forever, until you all meet again.*

*Much love to the entire family,

“ *"The light that burns twice as bright ... Lasts half as long! Nikki always glowed brighter than most.*

*Over the last 21 years I've been blessed to have known Nikki. When I first met her, she was my boyfriend's little sister, then my sister in law, eventually my children's favorite Aunt and always a friend. The memories are numerous ... Full of laughter and smiles. They will be cherished forever.*

*My deepest sympathies go out to Char, Joe Sr, Joe Jr, Eddie & Mary, and especially to my niece Samantha. God Bless you all!##imported-begin##Kelli Barnes##imported-end##*

“ *Those we hold closest to our hearts never truly leave us. They live on in the kindness they have shared and the love they brought into our lives. I am saddened by the unexpected and premature passing of my beautiful niece, Nicole, and can only hope and pray that the family left behind remember the kindness and love she brought into all of our lives.##imported-begin##Don Reitzloff##imported-end##*
