“ I moved to Florida in 2006. Prior to our move, Paula was a friend and our trusted bookkeeper. I just learned of her passing and I am so so sad. She was as kind as she was beautiful. We were blessed to have known her and called our friend###imported-begin##Estrella Tinch###imported-end##

“ We will always remember our dear friend and accountant Paula. She loved for us to bring her sloppy joes when she was at her business and she came to all our pool partys. She was a lady. She expected good manners from people she knew and wasn't afraid to tell you if you forgot once in a while. She told us to have a margaritta for her in her passing and the very day she went to be with the Lord we found a beautiful margaretta glass ornament. We bought the glass and we keep it with her picture to remind us never to forget a good friend.###imported-begin##Warren and DebraEllis###imported-end##

“ Paula was the first neighbor to visit us when we moved into our house on Summerside Lane 26 years ago. We were in a mess but she arrived with a plate of cookies and a big smile. Before she moved to Tennessee, Paula and I planned the sub picnic on many occasions. We had a lot of fun and she was easy to work with - always bright and friendly. My yard looks lovely thanks to the many flowers and plants she gave me before moving away. When my agency planned a cruise in October 2006, I invited Paula and she came with her friend Janet. I've sent a copy of the photograph I took on the ship. We kept in touch, to my regret, only about once a year by Christmas cards and an occasional email. We should cherish our friends and family more dearly - I wish that I had visited her or contacted Paula more regularly. She was a lovely lady who will be missed.
