“ Stacey you will always be my little sister. You had a kind heart always taking care of animals and other people, but forgetting to take care of yourself. I hope you are giving daddy a big hug right now and are finally at peace. I love you, Shel###imported-begin###Rochelle Matthes###imported-end###

“ Marv and Charlene I am so sorry for your loss, I remember Stacey and Springbrook, sitting up above the indoor arena and talking with her, from what I remeber she was a sweetheart, and she will be missed. I hope that she has found her peace, she will be remebered.

“ Charlene, There are no words. Stacey was a bright light in so many people’s eyes. She was a thoughtful happy and fun loving person. I have so many great memories of Stacey and all the kids at Springbrook, but even though all the kids were sweet, Stacey was the special one. She will be missed by so many, but she will be safe in God’s loving arms. I am so sorry for the pain and sorrow you and your family are feeling now. Words won’t lessen that sorrow, but know that so many of us that knew Stacey and your family are mourning with you, and sending prayers your way. May God hold Stacey close and help you in your time of sorrow. Love,

“ *Three Sister's – By Francis I. Gillespie*

*We are three sisters  
Three sisters are we  
I love each of you,  
And I know you love me*

*We're not always together,  
Life sometimes keeps us apart.  
But we're never separated  
We're in each other's heart.*

*Now I know we've had our troubles,  
But we always get thru.  
The real message is you love me,  
And I also love you.*

*We have had lots of good times  
That we'll never forget  
Sometimes we worry  
And sometimes we fret*

*But if God ever gave me  
Something special you see,  
It might have been the blessing of,  
Three sisters are we.  
The Lord above has gave me lots  
Of happiness and glee  
But the most special thing he did was Make us sisters, all  
three.##imported-begin##Lisa Marie Bielaczyc (Slota)##imported-

“ Dear Charlene, We send you and all of the family our sincerest sympathy. Stacey is someone who we love; and even though we haven't seen her in many years, she is someone who touched our hearts and stayed within our hearts always. When we think of her, we always think of the days at Springbrook with her and all the kids. The memories of her at the Youth Show and the State Fairgrounds make us smile. She was easy to laugh with and she made us laugh. There were so many things through the years that touched us. She was a good person. We are just so sorry for your pain and the sorrow that you are experiencing. We send you our love and hope that you will call on us if there is anything that we can do to help. Love, Walt and Maureen###imported-begin###Maureen & Walt Marunczak###imported-end###

“ My favorite Aunt Stacey. Its so unreal that your gone. i don't even know what to think. you're the reason i have such a passion for horses. I remember when i was little and you would come to my horse shows and braid my pony and support me and coach me. those were the days weren't they. so now, i carry these memories with me forever in my heart. may you rest in peace. and just know i love you very much, and miss you more and more each day.

Love Always,
