“ One of my fondest memories of my mom and Uncle Ted is of them staying up until the wee hours of the night just talking. Catching up on stuff. I can imagine them even now in Heaven doing the same. Uncle Ted, you have earned your peace and rest.##imported-begin##Scott Edmonds##imported-end##

“ Oh Daddy I cannot believe you are gone, you seem invincible to me. You were such a fighter! You amazed me all the time! You will be missed so dearly. It's hurts so much right now. I keep thinking of how you always help people. You have inspired people, lead or guide them. You touched so many hearts. I keep being told how you made a difference in people life. The stories make me smiles. You love to share life with the amazing stories you told. You were so kind to everyone you met. You were such a good man. We love you so deeply. We will all miss you so much!##imported-begin##Shari##imported-end##

“ To Aunt Gail, Shari, David and your families, my heart goes out to each of you.

Uncle Ted was a truly an amazing person that I as a child and and as an adult have aspired to be like.

I looked so forward to each year when we used to get together for Easter or in the summer to spend time with him. I always felt so inspired afterwards.

As families scatter geographically, it is increasingly hard to maintain those special bonds. The last time I saw Uncle Ted I realized that the special bond of family never breaks and that we will always be connected.

*God saw that he was getting tired,
a cure was not to be.*

*So He put His arms around him
and whispered, "Come with Me."*

*A fulfilled heart stopped beating,
Hard working hands to rest.*

*God broke our hearts to prove to us
He only takes "The Best".##imported-begin##Malinda
