“ I was blest to have him as my father in law...I could always see the love he had for us in the sparkle in his eyes when he would see us. He would hug me and whisper "I love you honey...thanks for coming or thanks for having us". This last Christmas, he added...I'll be back next year." My husband is such a wonderful man because of his influence...I will miss you dad.##imported-begin##Juli Brooks##imported-end##

“ I remember when I used to babysit Jim, Uncle Jim and I used to quibble over the tv. Him wanting to watch sports and me wanting to watch Shirley Temple. In the end, I would tell him I already saw the movie and let him watch the sports. He would smile and take over the tv. He really like his sports.##imported-begin##Karen Houtekier##imported-end##
