“ My sympathy for the loss of your loved one. I am a friend of his late wife Cheryl and friends of her sisters Bethe and Lynette. We are aware you are at a difficult time in your lives dealing with the death of a loved one is very hard. As Wally has now passed, Cheryl's sisters have asked me to contact you and are hoping that you would have the location of the remains of Cheryl that Wally has had. Their hopes are that they can finally possess Cheryl's ashes and lay them to rest with her Mother/Father and Sister Robyn. If you could please contact me with any information you have or instruction on how to gain access to Cheryl's remains, it would be greatly appreciated. Again, we are deeply sorry for your loss and are deeply hoping that you can find it in your hearts to help us finally put our loved one to rest as well.
